Other Ingredients: Microcrystalline cellulose, croscarmellose sodium, silica, stearic acid (vegetable), and coating (hypromellose, medium chain triglycerides, and hydroxypropylcellulose).

Directions: Take one tablet twice daily with food or as directed by your healthcare practitioner.

This product is non-GMO and gluten free.

Warning: Excess vitamin A intake may be toxic and may increase the risk of birth defects. Pregnant women and women who may become pregnant should not exceed 10,000 IU of preformed vitamin A (retinyl palmitate) per day.

Caution: Not recommended for pregnant or nursing women. If taking medication, consult your healthcare practitioner before use.

Thyrosol is a multifaceted formula featuring targeted nutrients that promote healthy thyroid function. Many aspects of health are impacted by thyroid hormone activity.*

Benefits:

Supports the healthy synthesis of thyroid hormones*

Supports the steps in hormone metabolism negatively affected by stress*

Supports the conversion of thyroxine (T4) to the more bioactive triiodothyronine (T3)*

May enhance the binding of T3 receptors to DNA, thereby supporting the expression of thyroid hormone-responsive genes*
