This product is non-GMO & gluten free.

Other Ingredients: Rice protein concentrate, rice syrup solids, olive oil, medium chain triglycerides, natural flavors, silica, and rice maltodextrin.

Directions: Shake canister before scooping. Blend, shake, or briskly stir about 2 level scoops (44 grams) of UltraClear into 8 fluid ounces of chilled water or juice twice daily or as directed by your healthcare practitioner. For highly sensitive individuals, consider reducing consumption to ½ to 1 scoop with 4 to 5 ounces of chilled water or juice twice daily during the first 3 to 4 days before starting a full daily dose.

Warning: Excess vitamin A intake may be toxic and may increase the risk of birth defects. Pregnant women and women who may become pregnant should not exceed 10,000 IU of preformed vitamin A (retinyl palmitate) per day.

Tamper Evident: Do not use if safety seal is missing or broken.

Storage: Keep tightly closed in a cool, dry place.

*Percent Daily Values are based on a 2,000 calorie diet.

**Daily Value not established.

UltraClear is formulated to provide specialized nutritional support for metabolic detoxification. It features a rice protein base, and is enhanced with specific nutrients and high in antioxidant vitamins C, E, and beta-carotene to provide well-rounded nutritional support for liver detoxification.*

Benefits:

Provides nutrients that support hepatic detoxification processes (Phases I and II)*

Features rice protein concentrate as part of a "clean" macronutrient base to complement a modified elimination diet*

Provides approximately 15 g rice protein

Features 5 amino acids, including L-lysine and L-threonine to increase the biological value of the protein

Features enhanced nutrient support with methylated vitamin B12 and calcium L-5-methyltetrahydrofolate, a bioavailable folate*

Features antioxidant nutrients that may help protect against oxygen free radicals generated during the hepatic detoxification process*

May be used with 10- or 28-day metabolic detoxification programs as well as on a long-term basis*
