Florajen3[®]

Unique Multiculture Formula

Florajen3 is a unique blend of three probiotic cultures and is highly effective for restoring and maintaining gastrointestinal health and supporting the immune system. It is also beneficial to vaginal flora.

15 Billion live cultures per capsule

Available in 30 and 60 capsules

Ingredients:

A freeze-dried strain of live:

Lactobacillus acidophilus—over 7.5 billion

Bifidobacterium lactis—over 6.0 billion

Bifidobacterium longum—over 1.5 billion

Other ingredients: Rice maltodextrin and gelatin capsules. Non-Dairy.

Does not contain yeast, sugar, soy, eggs, corn, wheat, gluten, coloring or preservatives.

Usage: Take 1 capsule daily unless a higher dosage is recommended by your health care professional, preferably on an empty stomach.

Storage: Refrigerate for maximum freshness and effectiveness. Can be stored at room temperature for up to two weeks while traveling and still maintain effectiveness.
