## CHELATED MAGNESIUM

<b>Supplement Facts</b>		
Serving Size 1 Tablet		
	Amount Per Serving	% Daily Value
Magnesium <small>(from magnesium glycinate chelate and magnesium oxide)</small>	200 mg	50%

Other Ingredients: Microcrystalline cellulose, stearic acid, hydroxypropyl cellulose, croscarmellose sodium, magnesium stearate.

- Promotes cardiovascular system health
- Supports muscle function
- 200 mg of magnesium from magnesium glycinate chelate and magnesium oxide per tablet
- Promotes optimal absorption
- Freshness, potency, and purity guaranteed

Magnesium is an essential mineral involved in many normal body functions, including promoting cardiovascular system health and supporting muscle function. Chelated Magnesium contains buffered magnesium glycinate. Chelation assists the body with transporting minerals across the intestinal wall for optimal absorption.

*This product is tested by an independent, FDA-registered laboratory for freshness, potency, and purity.*
