

# Essentials

## MultiVitamin & Mineral / No Iron

### DESCRIPTION

Essentials MultiVitamin & Mineral / No Iron is a comprehensive high-potency multivitamin/mineral formula that provides high levels of most essential nutrients including the B-complex vitamins as well as vitamins A, C, D and E. This formula includes patented and trademarked ingredients, all of which are backed by scientific studies demonstrating their efficacy and safety.

### FUNCTIONS

Oftentimes it is difficult to meet the recommended daily requirements for all essential nutrients. Taking a comprehensive multivitamin/mineral formula on a daily basis is one way to ensure you receive all of the essential vitamins and minerals that are critical for maintaining health and wellness. Essentials MultiVitamin & Mineral / No Iron provides high potencies of B-complex vitamins to support energy production, metabolism of carbohydrates, fats and proteins, as well as the production of healthy new cells, hormones, and other important biochemicals. B-complex vitamins are essential for the health of the cardiovascular and nervous systems and also serve as cofactors for antioxidant production and cell signaling processes. High potencies of the fat-soluble vitamins A, D, and E support immune health, skin and bone health, and provide antioxidant protection. In addition, Essentials MultiVitamin & Mineral / No Iron utilizes chelated minerals, which have greater absorption and bioavailability than non-chelated minerals.

### INDICATIONS

Essentials MultiVitamin & Mineral / No Iron may be a useful dietary supplement for those who want to fortify their diet with the essential vitamins and minerals and ensure optimal levels of these nutrients.

### SUGGESTED USE

As a dietary supplement, adults take 1 tablet daily with meals, or as directed by a healthcare professional.

### STORAGE

Store in a cool, dry place, away from direct light. Keep out of reach of children.

### FORMULA (WW #10054)

#### 1 Vegetarian Tablet Contain:

Vitamin A (as beta carotene) .....	10,000 IU
Vitamin C (as ascorbic acid).....	250 mg
Vitamin D (as cholecalciferol).....	400 IU
Vitamin E (as d-alpha).....	150 IU
Vitamin B-1 .....	75 mg
Vitamin B-2 (as riboflavin).....	75 mg
Niacin (as niacinamide) .....	75 mg
Vitamin B-6 .....	75 mg
Folic Acid .....	400 mcg
Vitamin B-12 .....	75 mcg
Biotin .....	75 mcg
Pantothenic Acid.....	75 mg
Calcium (as amino acid chelate) .....	50 mg
Iodine (from kelp).....	150 mcg
Magnesium (as amino acid chelate).....	7.2 mg
Zinc (as methionine) .....	10 mg
Selenium (as L-selenomethionine).....	35 mcg
Copper .....	1 mg
Manganese (as amino acid chelate) .....	6.1 mg
Chromium (as polynicotinate) .....	100 mcg
Molybdenum.....	50 mcg
Potassium (as amino acid chelate) .....	10 mg
Choline (as bitartrate) .....	30 mg
Inositol.....	75 mg
Para amino benzoic Acid .....	75 mg
Citrus Bioflavonoids .....	25 mg
Hesperidin complex .....	5 mg
Betaine hydrochloride.....	25 mg
Glutamic Acid.....	25 mg
Rutin .....	25 mg

Other Ingredients: rice bran, alfalfa, parsley, watercress, natural vanilla. May contain one or more of the following: magnesium stearate, cellulose, modified cellulose, modified cellulose gum, vegetable stearin, dicalcium phosphate, silica, and food glaze. Contains soy.
