## Glutenza - 60c

### Multi-Enzyme, Probiotic & Prebiotic Blend\*

**Glutenza®** is a powerful formula uniquely designed with proprietary blends of enzymes, prebiotics and probiotics to break down gluten proteins by targeting both internal and external peptide bonds.\* Glutenza® goes beyond the traditional DPPIV enzyme, offering superior degradation of gluten proteins by breaking down unhydrolyzed gluten peptides.\* Additionally, the highly specialized prebiotic, PreForPro® is unique in supporting the proliferation of beneficial bacteria in both the small and large intestines.\* This plays a critical role in breaking down gluten and other proteins to promote a healthy intestinal tract.\*

**Serving Size: 1 Capsule**  
**Servings Per Container: 60**

#### One Capsule Contains:

Proprietary Multi-Enzyme Blend .....	189 mg
Endopeptidase .....	75,000 HUT
Protease .....	500 SAPU
