UltraFlora® IB

30 Capsules

Targeted Relief for Occasional Intestinal Distress*

Serving Size:

1 Capsule†

Ingredient	Amount	Daily Value
A 50:50 Blend of:	60 billion live organisms††	*
<i>Lactobacillus acidophilus</i> NCFM®		
<i>Bifidobacterium lactis</i> Bi-07		

Ingredients: Probiotic blend (microcrystalline cellulose, *Bifidobacterium lactis*, *Lactobacillus acidophilus*, magnesium stearate, and silica), microcrystalline cellulose, capsule (hydroxypropylmethylcellulose), and silica.

Directions: Take one capsule one to two times daily or as directed by your healthcare practitioner.

This product is non-GMO, gluten free, and vegetarian.

Notice: Stability studies indicate that all probiotics should be shipped under temperature control to maintain potency (CFU). For best results, store in a cool dry place or keep refrigerated.

†Capsules are composed of plant-derived ingredients.

††At date of expiration.

NCFM® is a trademark of the North Carolina Dairy Foundation.

UltraFlora® IB is a clinically tested blend of "friendly" bacteria in a dairy free base. This advanced formula is designed to help address gastrointestinal symptoms such as abdominal discomfort, bloating, cramping, and occasional urgency. Backed by the Metagenics ID Guarantee for purity, clinical reliability, and predicted safety via scientific identification of strains with established health benefits.*
