Micellized D3 1200 *Higher Potency* - 1 fl oz

Water-Soluble Vitamin D3 - 1,200 IU Per Drop

Micellized D3™ 1200 is a natural, soy-free, form of Vitamin D in a water-soluble micellized form. Micellization greatly increases the solubility, absorption and bioavailability of our vitamin D3 over oil or emulsified forms.* The micellization process produces tiny droplets (micelles) that are then formed into highly absorbable aggregate structures.*

Serving Size: 1 Drop (0.04 ml)
Servings Per Container: 750

One Drop (0.04 ml) Contains:

Vitamin D-3 (as cholecalciferol) 1,200 IU

Other Ingredients: Deionized water, ethoxylated castor oil, glycerine, citric acid, grapefruit seed extract, potassium sorbate.
