UTI Soothe Capsules - 90c

Concentrated Urinary Tract Support*

UTI Soothe™ features the simple sugar d-mannose which occurs naturally in cranberries and pineapple. Tiny amounts of d-mannose are metabolized and the remainder is excreted via the urine. As it is flushed from the body, d-mannose coats E. coli so it no longer sticks to urinary tract walls and is washed away with normal urination.* This helps to maintain a healthy environment for the urinary tract's mucosal surface.* Since d-mannose is absorbed in the upper gastrointestinal tract, it does not affect friendly E. coli or other beneficial bacteria normally present in the colon.*

Serving Size: 2 Capsules
Servings Per Container: 45

Two Capsules Contain:

D-Mannose 1,000 mg

Other Ingredients: Rice flour, gelatin, vegetable magnesium stearate.

Free of: Milk, eggs, fish, shellfish, tree nuts, peanuts, wheat, soy.

Directions: Take two capsules three or four times daily or as directed by your healthcare practitioner.
