D3 5000™

120 Softgels

High Potency, Bioavailable Vitamin D

Serving Size:

1 Softgel

| Ingredient | Amount | Daily Value |
|---------------------------------|---------|-------------|
| Vitamin D3 (as cholecalciferol) | 5000 IU | 1250% |

Other Ingredients: Safflower oil, gelatin, glycerin, and water.

Directions: Take one softgel daily or as directed by your healthcare practitioner. Do not exceed recommended dosage unless directed by your healthcare practitioner.

This product is non-GMO and gluten free.

Caution: If pregnant or nursing, taking other nutritional supplements or medication, consult your healthcare practitioner before use. Do not exceed the recommended dosage unless directed by your healthcare practitioner. This product contains vitamin D at a level that exceeds the adult tolerable upper intake level, the maximum daily intake unlikely to result in adverse effects in the most sensitive individuals*. Keep out of the reach of children.

* Level established by the Institute of Medicine of the U.S. National Academy of Sciences.

Notice: It is highly recommended that serum 25(OH)- and 1,25(OH)₂-vitamin D be monitored every 60-90 days while consuming this product to ensure that levels remain in an acceptable range.

This product is produced in a facility that produces products containing soy, fish, and crustacean shellfish.

D3 5000 features 5000 IU of vitamin D3—the most bioactive form of supplemental vitamin D.
