†As Metafolin® U.S. Patent Nos. 5,997,915; 6,254,904.

Intrinsi B12-Folate features vitamin B12 and folate in combination with intrinsic factor for enhanced absorption and assimilation.

Benefits:

Supports healthy cardiovascular and nervous system function*

Features high levels of vitamin B12 and folate, which play important roles in the synthesis of DNA and, therefore, the growth and function of all cells in the body*

Delivers porcine-derived intrinsic factor, a natural glycoprotein that may enhance the absorption of vitamin B12

Features calcium L-5-methyltetrahydrofolate—a body-ready, nature identical folate*
